

Portal de Feedbacks

Objetivo

O desafio consiste em construir um portal para que pessoas possam deixar feedbacks anônimos para seus colegas de trabalho.

Sistema

Listagem de colaboradores

- Popular listagem com colaboradores
- Listar apenas nome, empresa e cargo do colaborador
- Pagar a listagem, com limite de 10 colaboradores por página
- Ao clicar em um colaborador ser redirecionado para a tela de detalhe do mesmo

Detalhes do colaborador

- Popular tela com todos dados do colaborador
- Popular listagem com todos feedbacks deste colaborador
- Permitir cadastro de um novo feedback para este colaborador
- Permitir incremento de likes para um feedback previamente criado
- Permitir deleção apenas de um feedback criado a menos de 5 minutos
- Paginação deve acumular os feedbacks na tela, mostrando de 20 em 20 itens

API

Resquest URL: <http://5d8b64ad3c0aaf0014342c2a.mockapi.io/api/v1/collaborator>

Resquest Method: GET

Response: [

```
